

St David's Day

Home/School Challenge

Your Challenge is to create a Welsh Dragon and bring it to school by:

WEDNESDAY 1ST MARCH.

You can create a 2D dragon - draw a dragon and paint/colour in, use different materials to make a collage of a dragon whatever you want!

3D models of dragons can be made too. You can use any type of material, your dragon can be any size, so long as you can carry it safely to school.

We want Trerobart Primary to be surrounded by dragons this St David's Day. They will be displayed under the stairwell of the office building for all to enjoy. Don't forget to put your name clearly on your dragon. Enjoy the challenge everyone.
